---

### CAREER OBJECTIVE:

Motivated IT Consultant with about a year of hands-on experience in **cloud computing, full-stack development, and project management**. I hold a Bachelor of Science in Business Administration (BSBA) in Management Information Systems (MIS) and Marketing from a [top program](#) and have earned certifications in Microsoft Azure Fundamentals and Full Stack Software Engineering. Known for a proactive approach, strong problem-solving skills, and a knack for translating complex requirements into impactful solutions. Eager to contribute to innovative projects and continue learning in a dynamic environment.

---
